Leadership Experience:

ABEA Board – 8 years

Served on many committees and helped with the youth at my church for many years!

Why did you choose the profession of teaching:

Many reasons...first and foremost, I taught my son so much when he was so young and I thought if I could do that, how many others can I help. I love business and all that goes with it, so of course that would be what I wanted to teach. I love teaching students how to interview, how to speak when making a speech, and to talk to them about their future.
